

Sprint 4 Report - CSE 115A - Software Methodology

SlugShare

Jasdeep Matharu, Samarth Shastry, Nithin Danday, Jordyn Salazar, Hannah Dinh

Completed: March 8th, 2026 | Revision v1.0

- **Actions to stop doing:**
 - Should stop procrastinating
- **Actions to start doing:**
 - Have more time to conduct meetings
 - Have code up to date with main/important branches
 - Communicate progress
- **Actions to keep doing:**
 - Getting our user stories done on time and having them work with minimal errors or bugs.
- **Work completed/not completed:**
 - **Completed**
 - As a user I want push notifications and gmail notifications for requests accepts
 - As a user, I want to be able to view a mobile specific version of the web application
 - As an admin, I want to view all requests to monitor system usage.
 - As a donor, I would like my QR code to have a spending limit and expire after 1 use so requestors can't spend more than they requested
 - As a user, I want to be able to view a dark mode version of the webapp
 - **Not completed**
 - None
- **Work completion rate:**
 - All User stories were completed on time.
 - User stories average completion time is around 2.5h/day including some bug fixes and testing.

DONE 6

As an admin, I want to view all requests to monitor system usage.
SCRUM-66 13 JM

As a user I want push notifications and gmail notifications for requests accepts
SCRUM-62 5 SS

As a user, I want to be able to view a dark mode version of the webapp
SCRUM-64 2 HD

As a donor, I would like my QR code to have a spending limit and expire after 1 use so requestors can't spend more than they requested
SCRUM-58 5 JS

As a user, I want the app to be ... mobile responsive so that I can use SlugShare comfortably on my phone.
SCRUM-52 5

As a developer, I want to know if my current builds are passing or failing
SCRUM-67 2

Date - February 25th, 2026 - March 10th, 2026

Sprint goal - For this sprint we want everything complete and working. Our biggest goal is to have the slugshare website working correctly with the get api so that we can share points and have an accurate up to date showing of a users points balance
